

FINE DINING MEETS GRIPPING SPORT

GUESTS from the Surrey business community enjoyed an entertaining afternoon of fine dining and gripping sport at the HFS Milbourne annual lunch and polo tournament, which took place at Hurtwood Park Polo Club.

Two strong and enthusiastic teams, TLC and Hurtwood Park, took to the ground after ex-Team GB player Tarquin Southwell explained the rules of polo, while Cody Jones of TLC provided a demonstration of some of the key shots of the game.

TLC were ahead at half time

3½ -2 and it was Jones who sealed the game and secured the HFS Milbourne Challenge trophy with the only goal of the last chukka. The final score was 5½- 3.

Rod Milne, joint managing

director at HFS Milbourne, said: "We are always lucky with the weather and once again we enjoyed fabulous sunshine at Hurtwood Park.

"Clients and colleagues enjoyed a leisurely afternoon

soaking up the sun with a delicious lunch and plenty of action on the field to keep them entertained. Mixing business and pleasure in this way is a great way to spend a summer afternoon."
